

BIG 5 SHOW, Building exhibition, 23-26 November 2009 in Dubai - UAE

Ladies and Gentlemen,

The Arab Gulf states have due to the increased oil revenues and ambitious plans a major building boom. Despite or perhaps because of the financial crisis, German quality work and highly valued products.

The BIG 5 SHOW will be held from 23-26 November 2009 in Dubai. Last year, the trade figure is about 58,000. The industry focuses on structural engineering, construction, interior communal cleaning services, water technology, waste Plumbing, heating, refrigeration, air conditioning and more.

We look forward to your feedback
